EDUCATION

University of California, Los Angeles

September 2022 - June 2026

I intend to graduate in 4 years with a double major BA in Statistics and Economics and then attend business school to eventually earn my MBA. I have also received the honor of Dean's List all eight quarters that I've attended UCLA.

Geffen Academy, Los Angeles — *High School*

August 2018 - June 2022

At Geffen Academy, I played a cumulative 6 varsity sports seasons. I maintained a 4.42 GPA (3.98 unweighted), and also founded the Debate Team and the Poker Club.

EXPERIENCE (Chronologically)

Zeta Beta Tau — *Chapter President*

April 2024 - Current

As Chapter President of a 50 person organization, I am responsible for day-to-day operations while also focusing on pressing issues as they come up. During times of upheaval on campus, where my chapter was directly threatened, I ran point with LAPD, UCPD, and the UCLA Dean of Students. During my tenure, I grew revenue 60%.

Helios Ventures — *Analyst Intern*

June 2024 - February 2025

Helios Ventures is a VC firm specializing in Late Stage, Pre-IPO investments. As an analyst, I was responsible for researching and presenting companies to the partners, attending meetings with high level executives at companies, reaching out to prospective clients, and reorganizing the company database.

Serene Team — *Real Estate Intern*

May 2023 - August 2023

My main responsibilities included CRM, tracking Follow Up Boss, and ensuring agents followed up with leads. I attended showings, assisted with event planning and office management, and screened sales calls.

Wharton Moneyball Academy — *Student*

June 2019, June 2020

I participated in two three week intensive courses dedicated to analysis (specifically sports) at a graduate school level, and received a Baccalaureate degree. I have recently joined Bruin Sports Analytics to continue my sports analysis education.
